Brian:

Confirmed! Let's plan on meeting at the end of Wildcat Way outside of the fence and proceeding on the CTP site together (probably just walk). Please bring hard hats, vests and safety boots. Who will be accompanying you?

See you at end of Wildcat Way at 10:00.

Hello Ed

That would work out for us to meet at 10:00 a.m at the treatment plant. There would be 3 of us going on the tour. Please confirm that this is a go and we will see you tomorrow.

Thank you

During our meeting last week you guys had expressed an interest in touring the CTP whenever it works. If you guys are available we can tour the CTP tomorrow at 10:00 am. Let me know if that would work for you guys, if not, we will look for another day.
